DE MANU IN MANUM

A MESSAGE FROM OUR YEARBOOK CAPTAIN

What better way is there to reflect on an entire school year than to flip through the pages of a yearbook? For the past two years, I've had the privilege of going behind the scenes and creating the yearbook, and in both years, the team has been small but mighty.

From the photographers to our layout workers, with great help from Ms Rusman and Mr Ganley, we have worked long and hard to create a time capsule that will last for years to come. The yearbook is a reflection of you and the lives of 542 students at this school. So I encourage you to look well into the pages when you receive your book.

FIELD HOCKEY

FIRST XI

The Brentwood First XI field hockey team was made up of a driven, talented, and relentless group of girls that were determined to show up and show down. Kicking off with the Friendship Cup Tournament, we faced some of Vancouver's toughest teams. Playing against this year's 3A champions, Handsworth, we were able to learn a lot of skills that helped us improve as a team and helped develop a rhythm for us to work with in order to defeat our rivals, Shawnigan.

Following the Friendship Cup, we played in three other tournaments before the Provincial Championships in November, which helped us create a chemistry that led us to finish top of the consolation bracket with convincing wins over JL Crowe, South Okanagan, and Southridge with beautiful goals from Carla Juergensen, Sophie McLernon, and a few others.

Our team's inspiring qualities allowed for an amazing final season for our seniors and a bright future for our juniors to continue the program's success in the coming years. The improvement from the beginning of the season to the end of the season was immense and I couldn't be prouder of these girls.

FIELD HOCKEY

SECOND XI

Possibly for the first time since the introduction of field hockey at Brentwood, the 2nd X1 consisted of total beginners except for Mila & Katia Miranda. Katia was appointed Captain and was assisted by her sister in warm-up and stretching before the start of practices and games.

What this team lacked in knowledge and skills, they made up for in their spirit, enthusiasm, and athleticism. How could that fail? While not winning many games or placing in the top four in 12-team tournaments, they held their own, giving much more skilled teams a run for their money. In all my years of coaching, we had never had such an enthusiastic and athletic group to work with. They were so much fun and helped make coaching a rewarding experience.

Our Grade 8 goalkeeper, Kayla Kazoleas, had what it took to be a fearless, skilled blocker of shots. She kept the scores close in every game. As her confidence and understanding grew, so did her blocked shots. The Mrs. W (Warner & Whitney) reminded the girls that they were competing against opponents that had been playing since the age of 6, whereas our group had started in September! All but four of the players were juniors so they also competed in the Junior ISA Tournament. Tying in the semi-final, they came one shoot-out goal short of being in the final.

Grade 8s also feature in this report. I coached the Grade 8 class a total of seven, one-hour PE classes. Seeing some great potential emerging, I decided for the very first time in my 25 years of coaching at Brentwood to challenge a Shawnigan Lake Grade 8 field hockey team to a game. Ten girls, bolstered by three young gentlemen, played and outclassed their counterparts, winning 2-0. They showed innate understanding and skill, having never before played a game on a full-sized field. I am hoping that this year's athletes, from both the sports program and the Grade 8 class, will remember the fun and success and continue playing.

SOCCER

SR BOYS

We had an amazing season with a great group of guys who put their all into this year's team. We fought hard and grew as a team throughout the year, placing 1st in the North, beating a strong Mark Isfeld team, then falling just short to SMUS and placing 3rd on the Island. At Provincials, we ended our season facing the #1 seat off the Island in the 3rd place match. The match was a rough one with lots on the line, but the boys played very well and kept their composure. We ended the game with a 1-0 win, placing 3rd in the province, which is the second-best finish in Brentwood boys' soccer history. I would like to thank Mr Barrett, Mr Reynolds, and Mr Henman for their commitment to the team and for providing a great soccer program year after year that has benefited our growth as soccer players, along with the memories that will be with us for the rest of our lives. The boys should be proud of their efforts - the 2024 season will be one to remember.

SOCCER

JR BOYS

I believe it was the great Meatloaf who once crooned, “I want you, I need you, but there ain’t no way I’m ever gonna love you – but don’t feel sad: for two out of three ain’t bad.”

We wanted our local league title, and we took it, greedily. We wanted the ISA trophy, and beat St. George’s in the final 7-0: we beat them like a rented mule, like a dusty rug, like a hasty retreat. We wanted the Island title, won Pool A, and then sprayed Belmont’s goal in the final as if their net was on fire and only the rueful teams of missed chances could extinguish the flames.

We finished second on the Island, no mean feat, and, when we got it right, made the beautiful game a comely prey to hunt in Mill Bay.

Mark my words, reclusive yearbook reader: these juniors will be talked about in the senior Provincial report in next year’s edition.

GIRLS VOLLEYBALL

SENIOR A

This has been the most unforgettable volleyball season we have been a part of. With notable accomplishments like a second-place finish at ISAs and the Brentwood Classic, as well as going undefeated in sets and games at the North Island & Island Championships, this season proved to be one of our most successful in quite a while. We were also lucky enough to host the BC AA Girls Volleyball Provincial Championships on our home courts in the Wheaton Gymnasium. The event was executed perfectly thanks to the help of all of our sponsors, and student and parent volunteers. From the opening banquet in Crooks Hall to the final matches and closing ceremonies, this tournament was the cherry on top this season.

Though we faced a truly difficult and emotional loss in the quarterfinals at Provincials, our team's resilience and drive pushed us to a fifth-place finish. We could not be more proud of our team's performance this year and wouldn't trade it for the world. As a team, we are not defined by our wins or losses, but by how we work together to be the best we can be on and off the court.

We would like to thank every member of our team for everything they have given the program this season. For us, along with seven other Grade 12s, this is our last time playing Brentwood Volleyball and we are so grateful to have been able to spend this season with all of you. Another huge thank you to Ms Fougner and Ms Manton, for pushing us to be the best athletes we can be, but more importantly, the best people we can be. We are bonded for life as not only teammates and friends but also sisters. We look forward to seeing everything this program achieves in the future. Thank you, Brentwood Volleyball, for the most rewarding experience we've been a part of.

All our love, Ella Wenhardt, Mack '25 & Ruby McDougald, Allard '25, Senior A Volleyball Captains

GIRLS VOLLEYBALL

Junior A

This season was a special one. The team started the season with many wins against some of the top teams on the Island, including Oak Bay and Claremont. Our season was jam-packed, with an away tournament every, single, weekend: playing pregame music, talking with each other on the bus, and creating bonds with new and old friends for years to come is what we did. We worked hard on and off the court, winning and losing together.

Coming into our first home game, Mid-Islands, we had high hopes of qualifying for Islands, but, sadly falling short in the semi-finals, our season came to an end. Our last game ended positively with a promising win against GISS.

I would like to thank Coach Topper and Coach Abby for all the hard work they put in this season to help us throughout everything and always making us laugh. While the 2024 season has come to an end, we should still be very proud of ourselves and the way we pushed through challenges, supported each other, and built a season full of unforgettable memories.

GIRLS VOLLEYBALL

JUNIOR B

Brentwood Junior B volleyball team got off to a challenging start to our season by losing our first game. After that loss, our team found our rhythm being known as the comeback team as we would often win the match after losing our first set. Our team then became consistent and resilient, and our teamwork improved immensely throughout the games which led us to get to the final in our Junior B ISAs. It was a tight and intense match between Brentwood and GNS. In the first set we were losing 20-24 but we incredibly came back and won 26-24 which showed determination and grit in all the players. Although we did end up losing in the final, it still showed us how much we improved since the start of the season. This achievement proved our team's tremendous hard work and commitment paid off.

The final tournament was the CVIAA (Central Vancouver Island Athletic Association) Championships. The comeback team certainly displayed their courage, grit and teamwork as they competed. This tenacity resulted in victory as they won the championship, bringing home the coveted banner after a close final against one of the other Brentwood volleyball teams. This season was remarkable, and the team should be proud of their efforts.

CROSS COUNTRY

This cross-country season began with a calm day of apple picking in the sun to support the BEAT team's harvest initiative but quickly ramped up in intensity to prepare for the annual Cowichan Valley Running Series. Our training consisted of brutal ab workouts, lengthy local runs and draining speed drills; however, nothing could have prepared us for the Biblical downpour at the Bright Angel race, or the never-ending ascent at our home event on Cobble Hill Mountain.

Despite these challenges, Brentwood prevailed and performed exceedingly well in the series; 11 of our runners placed in the top eight of their respective categories at one of these races (and received a ribbon), in addition to Layla Reynolds and Nirav Nayak both earning first place finishes. Participation in these races allowed our entire team to compete at Islands, which, ironically, was held in Powell River instead of on the Island. After a four-hour commute and a night in a beautiful oceanside hotel, Brentwood qualified Cole Curtis Chesters, Nita Qiu, Nirav Nayak, Nika Lam and Layla Reynolds for provincials in Vancouver. All of these runners demonstrated an exceptional effort during provincials, tackling the delightfully muddy conditions at Jericho Beach with true Brentwood grit.

This term was characterized by stunning destination runs, valuable team bonding and great competitive success. Every member of our group improved their speed and endurance while also enjoying the program's unique culture and traditions. With immense gratitude, we thank our returning coaches Mr. Skardal and Mrs. Reynolds, as well as Mrs. Gage, a new addition to the program, for their outstanding leadership and dedication.

GIRLS BASKETBALL

SENIOR

This year's Senior Girls Basketball team is one to remember. With many returning players looking to succeed in their senior season, the team was ready to fight for every win right from the very start. Led by a core group of experienced athletes, the team built on last year's successes with a relentless work ethic and undeniable chemistry.

From one of their first tip-offs at the Southridge Classic, the team demonstrated great resilience by pulling off a win against the provincially ranked home team, Southridge Storm. This set the stage for the rest of their season, as we went on to play in many more tournaments. Impressively, at February's RCMP Tournament in Victoria, they beat this year's 1A provincial champions, which is no easy feat!

The team's goal all season was to qualify for Provincials, and that they did. Coming in ranked 11th, the girls were ready to prove themselves. After a tough 7 point loss to Britannia (who ultimately came third) on the opening day, Brentwood made it their mission to have fun and finish as high as they could. Ultimately, the team came 10th, with many memories and friendships made along the way!

We would like to thank coaches Ms Napier and Ms Bates who made this season possible and enabled us to succeed. This program has offered us so much, and we cannot wait to see what the future of Brentwood Basketball holds.

BOYS BASKETBALL

SENIOR

Coming off of an inspiring season in ‘23-‘24, we had the ammunition to propel us in our training and continue our program's legacy of excellence and success. Though we knew it would be an uphill battle as key players graduated, we worked through our obstacles as a team to get back to dominant form. One of our biggest battles this year was the injuries that riddled our team. This, however, showed the depth of talent on our squad that helped us fight against tough competition down the road.

This season's highlights included Bronze Medal finishes at ISAs and Islands, a North Island Championship, and a 3-1 record at Provincials that earned us a ninth place finish. Though it was far from the result we were hoping for, I am proud of the boys for their consistent drive in practice and games.

Thank you to the Basketball program and our coaching team - Mr Gage, Mr Kulai, & Mr Pasquale - for your impact on us as players and as people. I am extraordinarily grateful for the memories I have made on this team and program, from overnight tournaments to team dinners. The bonds I have made with my teammates, past and present, will stick with me forever.
Finally, good luck to the team in the future. I know for certain you will do great things for the program, and I am excited to see your success.

BOYS ICE HOCKEY

The ‘24–’25 season was a memorable one for the Senior Boy’s Hockey Team. From start to finish, the guys demonstrated resilience, skill, and a deep sense of team pride. A major highlight came at the Ross Cup, where the team earned a second-place finish after a dramatic overtime win against Earl Marriott in the semifinal. Although we fell to a strong Prince of Wales squad in the final, the journey getting there was a testament to the team's grit and determination. One of the most electric moments of the season came during the Showcase game, when we defeated rival SLS, igniting school spirit and capping off the regular season in style.
Above all, the season was defined by the passion and support the boys had for one another, whether on the ice or cheering from the sidelines. Thanks to our graduating players for your leadership and commitment. You've set the tone for future teams and left a legacy we'll carry forward proudly.

RUGBY

SENIOR BOYS

There is no doubt this season brought its share of physical battles and adversity, but what truly defined our team was our resilience and unity. Even through injury, one of our proudest moments came when we claimed the championship at the Rockridge Invitational 7s Tournament. The victory was a testament to our grit, teamwork, and the trust we had in one another on both sides of the ball. Our season has been filled with unforgettable memories, hard-fought wins, and the kind of camaraderie that only rugby can create. Every practice, every game and every tackle made us tighter as a unit.

A huge thank you to the rugby program and our coaching staff, Mr Thompson, Mr Branchflower, and Mr Flynn for their unwavering belief in us and for pushing us to be the best versions of ourselves in every practice. To my teammates, the brotherhood we've built is something I'll always carry with me. Whether it was the bus rides or the moments before kickoff, you made this season one to remember. I wish all the boys the best moving forward. Keep raising the standard and chasing greatness. I'll be cheering you on every step of the way in the year to come.

GIRLS RUGBY

This year has been a true test for the Girls' Rugby team. With a younger roster stepping into big roles, it was a chance to prove to ourselves that we are capable of competing with heart and building a legacy of our own.

Our season had a strong and promising start, setting the tone for what has already been a memorable journey. We kicked things off with a solid win against Port Alberni, showcasing the hard work that had been built during our preseason training. Building on that momentum, we took another victory in our exhibition game against Rundle College, giving the team a glimpse of the potential we have when we play together.

Of course, no season is without its challenges, and we faced tough but valuable learning experiences with losses against Vanier and Shawnigan. The matches tested our resilience and helped reveal the areas we needed to refine as we move forward.

Each game, whether a win or a loss, has helped us grow stronger as a unit. The progress we have made so far is a direct result of the hard work and dedication of every player, as well as the incredible guidance provided by our coaching staff. We are fortunate to be led by outstanding coaches - Mr David Cowie, Ms Mandy Marchak, and Mr Steve Cowie - whose experience, passion, and belief in the team have fostered our development. Alongside them, the leadership from our senior players has been invaluable, setting the standard both on and off the field for what it means to be a part of this program.

I'm proud of what the girls have accomplished this season, but we are not done yet. As we look ahead to the next stages, our goals remain clear and we are determined to keep pushing for a spot at provincials. I'm grateful to lead this team and excited for what's to come, and we know that, together, we can achieve even more.

SOCCER

SENIOR GIRLS

Senior Soccer team started with big dreams & cardio that could only be described as “aspirational.” Despite the early challenges & a collective fear of playing a full 90, we pulled through. From the first whistle - turned first win - against SLS, we brought a calculated mix of grit, joy, & just enough confidence to keep things interesting. It was not all smooth passes & clean wins. Our first home game vs Kelsey was a success, but was followed by the tragic loss of Basma Jama's foot in a win against Wellington. Approaching ISAs, we battled through injuries & fatigue with determination - & barely enough tape to keep Cleo Kestler's ankles together. Thankfully, Coach Wesley “Guardiola” Barrett has an unrelenting knack for spotting talent & found some phenomenal juniors to join us. Were we the biggest team? Irrelevant. The best? Up to interpretation (but I think so). What we did have, was a huge can-do attitude. We ultimately placed 7th after a strong final game.

The team demonstrated high levels of effort, concentration, & sportsmanship. Remarkable moments came from Kalea Hill who spent her first year on the team putting away some fantastic goals. Her counterpart, Pearl Norman Brown, also brought a record-setting level of intensity - so intense, she drove the ball through defenders & straight into the back of the net. In midfield, Kionah “The Kid” Williams consistently delivered powerful strikes & powerful advice, while Carys Carson sent beautifully weighted passes with the kind of precision that made Ms Fougner shed a tear. On defence, when she escaped rowing, Grace Sissett dominated on the back line.

Thanks to our seniors, Cleo, Bena DeCenzo, Basma, & Mila Woudstra for their outstanding leadership, optimism, & skill. Also, this year would not have been possible without the coaches: Ms Fougner, Mr Henman, & Coach Barrett. We are incredibly grateful for their patience & care.

GRADE 8

What a remarkable year. Whether learning to execute a wet exit, tackling new challenges in the classroom, or performing on stage, these 8s embraced the opportunities & expectations of a Brentonian. From their first days in September, they were immersed in the tripartite program. They began building the habits, resilience, & adaptability to serve them in the years ahead. One of the year's highlights was Honk! Jr with a memorable final performance that earned a standing ovation. For many, stepping on stage was well outside their comfort zone - but their dedication to the process was evident. This year also marked the second time a Grade 8 class participated in Airband, & they opened the show with an excellent performance. Throughout the year, they explored & strengthened their artistic voice through visual art, guitar, & ukulele.

Midyear, students embarked on a Mount Washington Winterlude trip. On the first day, they chose their own adventure: downhill, cross-country, snowboarding, or snowshoeing. Day Two was a shared class experience: snowshoeing through the alpine, introductory avalanche training, & a spirited game of capture the flag. The trip was a perfect blend of OE, personal choice, & community connection.

Students also challenged themselves in the sports programs.. Hands-on experiences in labs, inquiry-based learning, coding, sewing, & cooking also occurred. The year began with a three-day outdoor orientation designed to foster collaboration & connection. Students built shelters, learned fire-starting techniques, & explored the campus environment.

There were, of course, difficult moments: assignments to complete, deadlines to meet, & social dynamics to navigate. Those moments were just as formative as the highlights as they took on the challenge of developing the mindset, work ethic, & self-awareness that define a Brentwood education. The year concluded with a two-day camping & biking trip. With backpacks on, students ventured into the outdoors once more - laughing, learning, & making memories to carry forward. Congratulations to the '24–'25 cohort as they take the next step in their Brentwood journey.

ALEXANDRA HOUSE

When I look back on this year in Alexandra House, I don't just think of the events – I think of the feeling. It started in September, when new personalities became a part of the Dino Fam, some nervous, some excited, all stepping into something unknown. And without even thinking about it, Alex did what it does best: we opened up and made sure that every new face was part of the family.

One of my favourite memories will always be the energy we bring to interhouse events. It's not just about showing up; it's about showing what Alex is. Whether we were on the court or field, throwing ourselves into games that many had never played before, or losing our voices cheering each other on, you could always feel the house pride. We weren't just competing; we were taking part in what it means to be part of the Brentwood community.

The unity of Alex House was really summed up the night of our open house, the karaoke room lit up with some pretty unforgettable performances (definitely some future winners of The Voice), and it wouldn't have been possible if it weren't for the whole house coming together to create such an awesome evening. A huge thank you to all 22 Prefects, who stepped up not just that night but throughout the year, taking on responsibilities and staying organized, even when no one was watching.

Of course, none of these memories would have been possible without the endless support of our Houseparents, Ms Warner and Ms Langer, and the many duty staff. Thank you for always believing in us throughout our journeys; none of the Grads would be where they are today if it weren't for you guys. Thank you for all the little things you did every day that made Alex feel like home. And to the new staff this year, thank you for jumping in so quickly and becoming a part of our family.

Alex has been my second home since Grade 10; the experiences I have had here will forever be a part of me. Thank you for everything, Alexandra. Sloane Stanton, Alexandra House Captain '25

ALLARD HOUSE

Dear Allard House,
You are more than just a house, you are family, a home where laughter echoes through the halls and tears are wiped away by friends. Everyone here has embodied our core values of being kind, caring, & accepting. Allard is where we are celebrated for who we are and loved even more for who we are becoming.
This year, 25 fearless new mermaids joined our coral reef. You lit up our home with your laughter and kindness. I was so excited to welcome you and watch you find your place among us. You have completed our home. Now we are a house of 64 strong. Grade 9s, you are the spark of this house. Your energy and humour radiate through the halls. I've laughed with you during moments when I needed it most. You are the future, and it is so bright. 10s, you are stepping into your senior status. You've become loyal, supportive leaders, and it's been a joy watching you grow closer. 11s, you're almost there. I know this year wasn't always easy, but you pushed through. You will be an incredible group of Prefects. Allard is lucky to have you. 12s, I couldn't have done this without you. You held me up, made me laugh through tears, and stood beside me through it all. I'll never forget the memories we made. I'm so grateful to spend these final moments with such amazing friends.

To our incredible staff, Ms Backlund, Mrs Reynolds, Ms Coull, Mrs Stevens, Mr McPherson, Ms Bashizi, and Mrs McLellan, thank you for your unwavering support. You are the pillars of Allard.
Ms Rogers and Mr. Smith, you are more than our Houseparents; you are family. Mr Smith, your legacy will live on in these walls. Ms Rogers, you have been our second mother, our advocate, and our constant: thank you for everything. Allard House, you are truly my second home. I'm endlessly grateful to be part of this house, surrounded by people I now call family. I am who I am because of you. No matter where we go...
Mermaids never swim alone.

ELLIS HOUSE

]This year in Ellis House has been an eventful, memory-filled journey. We dominated the Eco-Challenge with teamwork and grit at the start of the year, and made an unforgettable memory with our victory at Airband, where we lit up the stage with energy and creativity.
Without a doubt, Ellis has left its mark on every major interhouse event. We hope to set the stage for future years with our unmatched passion and teamwork. This year has been about more than the competitive wins, though. The way we came together as a house in all aspects is what defined this year. Whether it was helping new brothers feel at home, hanging out in the common room having a laugh, or legendary games of poker, the strength of Ellis has always been in its brothers.

The brotherhood we've built is real and unbreakable, and it has shown in everything we did this year. There is no doubt in our minds that the next generation of Prefects will continue the house's strong legacy.
We want to thank Mr Wismer and TCH and the duty staff for guiding us this year and we hope that the memories we helped create will last a lifetime.

HOPE HOUSE

What makes Hope truly special is the crafted culture that permeates every corner. It's evident in late-night conversations after prep, impromptu gatherings in the kitchen, and the steady support system that catches anyone having a rough day. Hope isn't just where we sleep - it's where we grow, challenge each other, and build lifelong relationships. September welcomed a fresh cohort of 23 nervous yet excited faces to Hope House, and the '24-'25 school year stood as one full of spirit, transformation, and unforgettable memories.

Ms Hedquist, thank you for unwavering guidance and being our rock through every triumph and challenge. Hope House wouldn't be what it is without you. Ms Carroll, despite being new to our family this year, your impact has been profound. Thank you for your fresh energy and perspective. I speak for everyone when I say you fit right in. For Ms Yuriko and the duty staff who endured our chaos with patience and care: we are eternally grateful.

To the Grade 9s, you arrived as a kaleidoscope of personalities but quickly became the light of our house - hold onto that authenticity while learning when to dial it back just enough to pass a daily inspection. To the Grade 10s, you've mastered the art of being everywhere at once - maintain that energy, but perhaps also consider occasional sleep. To the Grade 11s, you stand in the shadow of leadership while balancing being unapologetically yourself; the house already looks to you more than you realize - protect and nurture the culture you helped create. And to the Grade 12s, we entered this house as strangers and leave as a family with enough stories to last several lifetimes—thank you for growing, laughing, and changing beside me.

As I prepare to leave the place I've called home for four years, I carry with me not just memories, but pieces of everyone who made Hope House unforgettable. Hope House isn't something to be left behind: it is carried with you.

With endless gratitude, Rowan Van Dender, Hope House Captain '25

MACKENZIE HOUSE

After the Closing Day Ceremony last year, Mr Patel told me that Grade 12 was going to fly by. I never fully believed adults when they said this because it's what they all say: but now, here I am, writing the end -of-year recap for Mackenzie House.

The year started quickly with a whopping 28 new Mack friends who settled into their routines. However, the very confusing, time-consuming, tricky sign-in times (lots of reminders were set on their phones) were definitely a struggle for some newcomers. Sign-ins were quickly made to be entertaining as the view from the foyer now included the bench circle outside, as the Mack & Ellis grade 9s quickly started to form their own PG remake of Love Island. Orientation was filled up to the brim with campus tours, awkward Mack/Ellis speed dating, Fun & Games, house meals in the cafeteria, introductory name games (Emma setting her phone wallpaper as people's names), learning how to pass inspections, and more daily chaos.
As the weather became gloomier, the energy in the house still managed to persist: #1 inspections were dominated by Josephine and Nita, Mack Open House was a blast, Airband was a total win thanks to Rose & Myra (who are the best Interhouse Captains), and more yummy house dinners were made by Sydney, Abby and me. As the grade 11s have now started their PIT training, I have full confidence that 2025/26 will be a successful year with their group.

A massive thank you is owed to Ms Cheung who, in times of stress, somehow managed to stay sane with no complaints - duty night after duty night. Another thank you to Ms Yang, who became our Assistant Houseparent in our time of need. For the whole duty team, this year has been anything but predictable, but you should know how much the house appreciates and acknowledges the sacrifices you have all made for us to stay successful at Brentwood.

Lots of love, Sophie Hockin, Mackenzie House Captain '24-'25

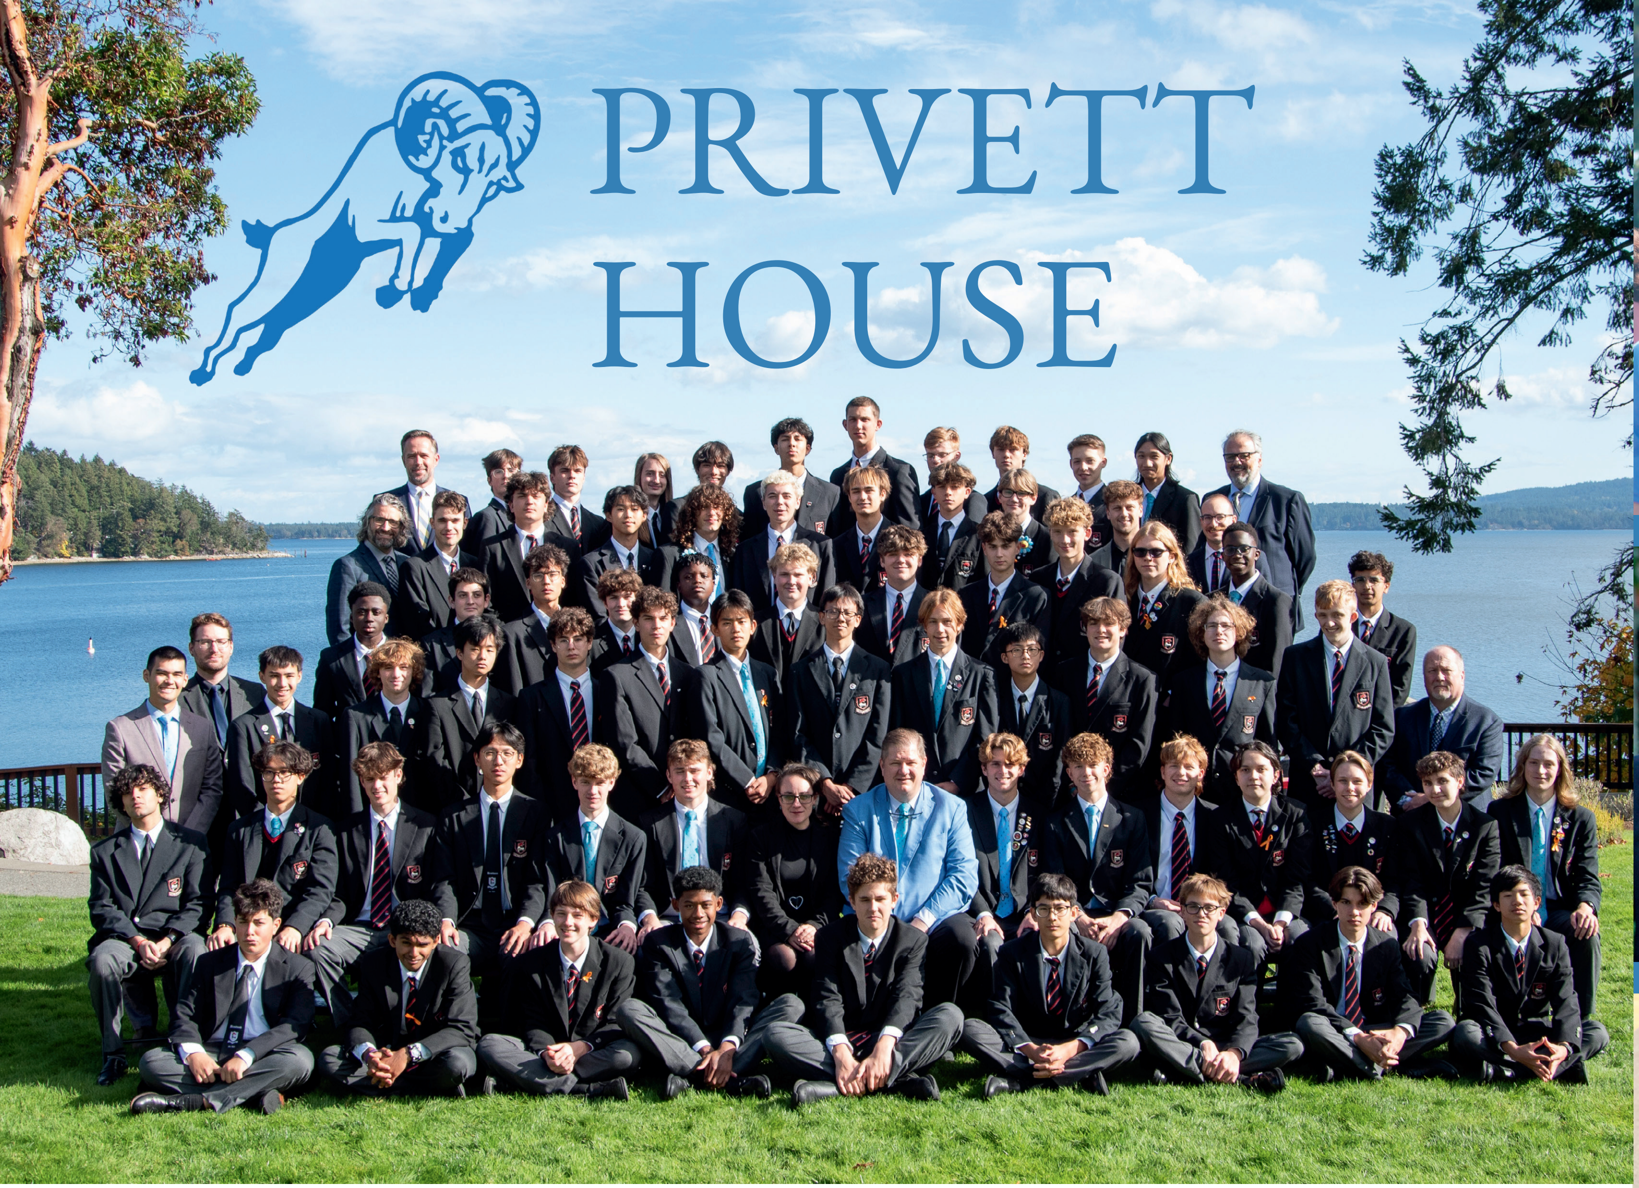
PRIVETT HOUSE



It's our turn now, as Grade 12s, to say goodbye to Privett House as another year comes to a close. Soon many of us will hear the last of each other's voices, heavy footsteps and screams of excitement from the halls. Still, I couldn't be more grateful. Over the past four years, we've laughed, competed, struggled and grown together. Privett became more than just a part of school - it became a home. What makes Privett special is the brotherhood that we built together within these walls. So many unique personalities and qualities came together to form a bond that I've leaned on countless times. I've watched boys become more reliable, more respectful and more confident. I will be carrying these memories for my lifetime.

This year, Olivier Balek and Tighe Kramer helped lead our interhouse competitions with spirit and drive. Whether we were winning or losing, our trust kept us strong - we were Ram Tough and proud of it. Resilience has also shone through each of us in the house through tough losses and other challenges. It's been a privilege to witness the growth of so many people in this house. A special thank you to Head Prefect Matson Waring, who led with kindness and quiet strength, setting an example for both the senior and junior students.

To the Grade 9s, 10s and 11s, the Privett legacy is in your hands. You'll become the ones who shape memories, build culture and guide the next generations of Privetteers. I am not sure yet if I will miss pushing the Grade 10s to bed, but I still appreciate the memories you've given me. Best of luck to all of you, the future leaders of our home.
Thank you to our Houseparents and Duty Staff for the patience and support you have shown. You have helped us learn how to lead and allowed us to be ourselves. Goodbye Privett. Bleed Blue, stay proud, and never lose what makes our house a pillar of the school.

ROGERS HOUSE

What Rogers may lack in interhouse wins and timely inspections, we more than make up for with undying house spirit and absolute commitment to supporting one another. During the '24-'25 school year, Rogers boys exemplified all the best aspects of pirate brotherhood that maintain the house as a welcoming and driven community.
While the entire house shared a devotion to integrity and leadership, we achieved these Snowian principles in varied ways. While talented performers like Roan Cameron and Mr Nikolic designed and presented unforgettable works of music and theatre, Alex Sochor (galley manager), Anderson Webb (open house video editor) & others put in meaningful work behind the scenes to keep the house running. Regardless of the nature of their contribution, the dedication and excellence displayed by these standouts were celebrated throughout the year, through applause or personal recognition.

For us 12s, graduating from Rogers is bittersweet. On one hand, there are countless Rogers traditions we hold dear and will miss as we go our separate ways: garage band with Mr Snow, screaming happy birthday, and Ms Whitney's 7am wake-ups. The thought of leaving it all behind feels scary, but in another sense, we should all feel proud. Our Prefect group has been the most cohesive and effective I have seen in my time at the school, so we should feel complete confidence in the legacy we leave future Grad classes.
It would be easy to attribute Rogers' success this year to its great members at present; I could write endlessly on acts of kindness I witness on a daily basis in the house, but that would be to ignore something more innate. Rogers isn't great because we win competitions or create a loud presence. It is great because our members foster a culture and experience that preserves worthwhile values in a way that transcends any single year. It is for this unseen structure that I am so grateful to have been part of the best house at Brentwood.

WHITTALL HOUSE

In Whittall House, we rep the red with pride and charge forward like bulls. The bull symbolizes our spirit: bold, determined, and unshakable. Our community of more than 60 students, from Grade 9 to Grade 12, brings together a diverse mix of personalities, talents, and passions to the redhorns.

Whether it's an intense game night in the common room, late-night conversations about life, or our unbeatable energy on interhouse events, Whittall creates memories that last a lifetime. We rely heavily on our house values of integrity, respect, perseverance, and honor, but these aren't just words hung up on the walls of Whittall, this is our way of life. From academic pursuits to athletic competitions and everything in between, Whittall students push themselves and each other to grow stronger, aim higher, and lead with character.

Our seniors serve as mentors under these values, guiding younger bulls with care and setting the tone for what it means to be Whittall. Our younger generation of bulls always brings fresh energy and new traditions that will carry forward for years to come. The bonds built within these walls go far beyond room numbers or grade levels. Whittall isn't just where we live, it's where we find belonging in a place so far away from home. We celebrate each other's wins, big or small; whether it's the sound of laughter echoing down the hallways, the steady buzz of late-night study sessions, or the cheers that erupt when a joke is made during Big Bro's, this house is alive with passion and pride. To be part of Whittall is to be part of something great. Something bold, red, and unforgettable. I'm proud to be Whittall.
